Colyer-Fergusson Charitable Trust

The Trust has announced five new funding programmes, each designed to invest in local communities and voluntary sector organisations working to improve the lives of those living at the margins of society. The five programmes will be phased in over the next few months:

- **Investing in Young People** - grants to support disadvantaged young people; with the aim of improving their skills, building their confidence and resilience and breaking down the barriers to their employment (see page ... for more information)
- **Investing in Communities** - small grants to community organisations and local charities in Kent to strengthen their resilience and build their capacity to deliver sustainable, face-to-face services to people at the margins of society
- **Investing in Rehabilitation** - grants to support the rehabilitation of offenders and help reduce the collateral consequences of their imprisonment for their families; with the overall aim of reducing the risk of recidivism
- **Investing Locally** - This programme will seek to make a significant difference to one or more very localised areas of Kent; areas which are recognised as being amongst the most deprived in the county
- **Hardship Award Programme** - grants aimed at disadvantaged young people living in Kent and are intended to meet the costs of practical items such as: interview clothes; course fees; tools or equipment; travel costs to a new job etc. All applicants must be referred by an approved CFCT referral partner

Deadline: Various - please refer to website
